בס"ד

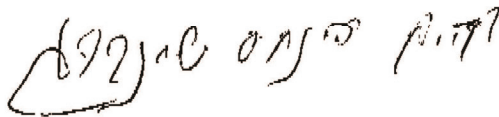

ניסן תשע"א

I had the pleasure of meeting Reb Menashe Kalati at my home on כג סיון תשס"ח. At the time, I gave Reb Menashe a *brocha* to be *matzliach* in his endeavor. I would like to take this opportunity to renew my *brocha* to Reb Menashe for *hatzlocha*.

HaRav HaGaon Chaim Pinchas Scheinberg is a distinguished Torah giant, considered by many to be a **Gadol HaDor** ("greatest of our generation"). He is Rosh Yeshiva at Yeshiva Torah Ore in Jerusalem, and Morah Hora'ah of Kiryat Mattersdorf. He has authored several significant works, and is famous for simultaneously wearing many layers of tzitzis (prayer shawls).

After demonstrating KosherSwitch® to HaRav HaGaon on כג סיון תשס"ח (6/26/2008), additional consultations were performed with some of his key disciples, helping clarify the Halachic feasibility of the patent.
