

ב"ה י"ז טבת תשי"ע

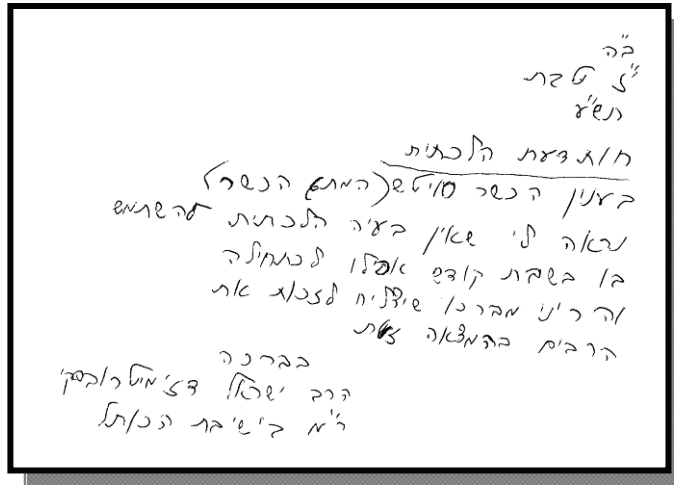

חות דעת הלכתית

בענין הכשר סויטש (המתג הכשר) נראה לי שאין בעיה הלכתית להשתמש בו בשבת קודש אפילו
לכתחילה והריני מברכו שיצליח לזכות את הרבים בהמצאה זאת.

Halachic Ruling

With regards to the KosherSwitch, I find that there is no Halachic concerns with using it on the holy Shabbos, even l'chatchila (the ideal & "a priori" Halachic condition). And I hereby bless him that using this invention, he should be successful in bringing its merits to the masses.

With blessings,
