בס"ד

June 22, 2010

I recently had the pleasure of assessing the “KosherSwitch” technology and related materials, and was very impressed by its potential. I was equally impressed by the endorsements that this project has already received from Rav Nachum Rabinovitz and other preeminent Halachic scholars including Rabbi Yehoshua Neuwirth and Rabbi Avigdor Nebenzahl.

I strongly believe that KosherSwitch is remarkable and demonstrates the great value of bringing technology to Halacha.

Respectfully,

Rafael Grossman

**Rafael Grossman** is the former Rabbi of the West Side Institutional Synagogue in Manhattan and the Senior Rabbi Emeritus of Baron Hirsch Congregation in Memphis, **the largest Orthodox congregation in America.**

A past president of the **Beth Din of America** and the **Rabbinical Council of America (“RCA”)**, he is Chairman of the Rabbinical Council International, Chairman of the National Rabbinic Cabinet of Israel Bonds, a member of the Executive Board of the Union of Orthodox Jewish Congregations of America, and a member of the Board of the Development Corporation for Israel.

A recipient of the **OU's National Rabbinic Leadership Award**, Rabbi Grossman was one of ten rabbis to be honored at the centennial celebration of the Union of Orthodox Jewish Congregations of America. He holds the degree **Doctor of Divinity *honoris causa*** from Yeshiva University in New York. With a column that appears in ***The Jewish Press*** and on several web sites, he is one of the most widely read Jewish columnists in the country.
